

## Skymetry Upgrade

Please fill-out this form to have your Skymetry unit upgraded to operate on the cellular network. The upgrade is free, and your unit will be returned to you as soon as possible. Your refurbished device will be relabeled as a CELL682 and will be accessible over the internet at [www.cell682.com](http://www.cell682.com). Note that a new wireless service plan will be required to activate your device and any remaining time on your current Skymetry plan will be applied towards a new CELL682 plan.
